EXPERIENCE

Black Duck Outdoors, Burlington, NC — Digital Designer

JULY 2023 - PRESENT

Improved product sales by designing a new logo and creating a social media presence.

Christ UM Church, Greensboro, NC — Freelance Designer

DECEMBER 2023

Enhanced experience by designing visuals that aligned with the sermon series.

Mount Pisgah Church, Greensboro, NC — Child Care

SEPTEMBER 2018 - AUGUST 2019

Provided care for children in various age groups, improving my ability to communicate, problem solve, and time management.

Chou & Chou DDS, Greensboro, NC — Receptionist

JUNE 2016 - AUGUST 2017

Time spent as a receptionist advanced my ability in customer service, communication, multitask and administrative tasks.

EDUCATION

CareerFoundry, UI Design Program Certificate

JANUARY 2023 - JANUARY 2024

Immersed in an intensive project-based training program with a focus on “Intro to UI Design”, “UI Immersion”, and “Frontend Development for Designers”.

PROJECTS

EZ Eating — Responsive Recipe Web Application

Optimized user experience by integrating functionalities that tailor to those with food allergies and helping cooks of any age or experience.

Portfolio Website — Frontend Development

Created and coded my own portfolio using scripting languages such as HTML, CSS and JavaScript that allows anyone to view my design projects.
